

HAWKE'S BAY
**WINE
AUCTION**
2018

Welcome

Cranford Hospice Trust

“The care of the dying demands all that we can do to enable people to live until they die.”

Dame Cicely Saunders

Thank you for supporting Cranford Hospice, your involvement in the 2018 Hawke’s Bay Wine Auction is sincerely appreciated.

The Cranford Hospice Trust, established in July 2017 signalled a new era for the delivery of specialist palliative care services in our region. Our future success relies on our continued ability to recognise the importance of people... He aha te mea nui o te ao?, He tāngata, he tāngata, he tāngata and to deliver care with skill, compassion and aroha.

The 27-year association Cranford Hospice has with the Hawke’s Bay Wine Auction helps us to achieve

this, and therefore you help us to achieve this by participating in this event and contributing to the almost \$8,000 funding gap we face every day. In this last year we supported over 750 people and their whanau, and we are immensely proud of the standard of care and support that we offer.

Cranford Hospice has developed an extraordinary relationship with the “wine community” and its people. It is one that, like a fine wine, leaves you with something pleasant. The proceeds from the auction are wholly used as Dame Cicely intended, to deliver services to support people with life limiting illness to live whilst they are dying.

A very warm welcome to our 2018 Hawke’s Bay Wine Auction. As a member of the founding committee in 1991 it has been an absolute pleasure to see this wonderful annual event evolve over the years to this iconic auction, a major event in the New Zealand wine scene. By offering the finest, unique wines from Hawke’s Bay to our bidders, this auction has become the largest private contributor to Cranford Hospice, something we are very proud of. Thank you to our dedicated and generous wineries for their unique barrel and wine “lots”. We are delighted with this year’s extraordinary line up of auction lots, all of which are remarkable and provide bidders with plenty of opportunity to walk away with very special wine parcels and experiences.

Cranford Hospice has exciting, ambitious and much needed expansion plans ahead with the Chesterhope development. The whole community will benefit from the improvement of all Cranford services, so a successful 2018 auction is much needed. To all our sponsors, of which there are many, sincere thanks for the huge generosity, your contributions make this auction possible and we are grateful for your dedication. Patrons Blend

Quarter Barrique of The 2018 Patron's Blend – Te Mata Estate Cabernet Franc

The Patron's Blend is named for John Buck, Te Mata Estate's Chairman and the Founding Patron of the Cranford Hospice Auction.

This year's blend is an incredibly rare example – made entirely from Cabernet Franc from Te Mata Estate's top sites across the Bridge Pa Triangle, Gimblett Gravels and the Havelock Hills. Most-famously the dominant variety in Château Cheval Blanc of Saint-Émilion, in great years Cabernet Franc excels to make outstanding single-varietal wines.

With fine and intense raspberry perfume, and ample body and tannin, the 2018 Patron's Blend of solely Cabernet Franc fruit expresses both vineyard and harvest quality in 2018. A rare Te Mata Estate blend only possible in the most exceptional of vintages.

The 2018 Patron's Blend will drink well early, but will also reward cellaring for up to 15 years.

Winemakers Peter Cowley and Phil Brodie.

Art Lot: David Trubridge
Sculpture – The Strands of Life

Weaving has been an essential part of my vocabulary ever since I learnt to weave hats from coconut leaves in the Pacific islands. It is a timeless craft that humans have used for millennia. Recently I was in Cambodia being taught to weave rattan and bamboo by local craftspeople, and this gave me a whole lot more respect for these traditional crafts which are so sorely undervalued. This new artwork for the Hawke's Bay Wine Auction and the Wildflower Sculpture Exhibition explores that vocabulary in new territory using a much more intransigent material, braided stainless steel wire — several kilometres of it. The weaving takes the form of a tree reaching up and branching out like a nikau or punga, suggesting the interwoven patterns of life. In the Māori world weaving is used as a powerful metaphor for the lines of ancestral descent that both entwine and bifurcate, like an inverted tree.

Bilancia

Quarter barrique of Bilancia – Tiratore – 2018 Chardonnay

tiratore = shooter (Italian)

The fruit for this wine is exclusively from *la collina* Vineyard where approximately 1.0 hectare of the terraced and incline hill site plus river silt over gravels is planted to Chardonnay. The original plantings (Viognier) were in 2001 but, commencing in 2008, have been top grafted and replanted to Chardonnay.

When we originally planted the vineyard almost every hole we dug (by hand) unearthed a spent bullet, quite old and generally in good condition. Prior to the rifle range on the gravels we imagine the shooters fired their bullets into the hill.

Tiratore 2018 is the prequel to a single vineyard 2018 Chardonnay of the same name to be released later next year. **Winemakers Warren Gibson and Lorraine Leheny.**

Askerne

6 magnums and a dozen 750ml bottles of Askerne Reserve Gewürztraminer 2018

2018 was a year that saw tiny crops on the estate blocks that we had designated for Reserve Gewürztraminer. The result is a classic, concentrated, opulent wine for lovers of this variety.

The nose displays orange blossom, rose petals and ripe pear, with spice in the background. These characters flow through onto the concentrated palate which also features ripe yellow plum, orange and coriander seed on the finish. The wine is round, textural and mouth-filling with a long lingering finish.

The only previous Reserve Gewürztraminer from Askerne was made in 2008.

The wine has been bottled as six magnums to allow it to be enjoyed on multiple occasions or on a single special occasion. These will be the only large format bottles that will be offered of this wine. A dozen 750ml bottles are provided so that the auction buyer can follow the development of the wine and perfectly time the enjoyment of the larger bottles.

Sileni Estates**6 x Double Magnums of Sileni Estates
Springstone Hawke's Bay Pinot Noir 2016**

From the cool climate 'Springstone' vineyard sitting up on the Mangatahi terraces, we bring together a special large format selection celebrating this magnificent vineyard, but also to show the influences different winemaking can have. Single vineyard, single clone 114, but two different winemaking techniques producing two very different wines. The first was fermented on 100% whole bunches, stems and all. For the second the fruit was fully destemmed for fermentation, the more conventional method. Seasoned oak only (no new oak), un-fined and unfiltered, these were filled straight from barrel and only made available for the Hawke's Bay Wine Auction.

Winemakers Cairn Coghill and Grant Edmonds.

Black Barn Vineyards

5 Magnums of Black Barn Vineyards

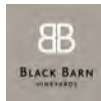

'Concetta' Sangiovese Montepulciano 2015

Arriving from Ischia in 1947, a glamorous Concetta Lombardi settled in Havelock North with her husband Bill and became known as Tina Green. The vineyard was planted in 1948.

Black Barn replanted this vineyard in 1994. Five rows were planted in the Italian varieties of Sangiovese and Montepulciano. Black Barn Vineyards celebrates a remarkable life with Concetta. Presented in five magnums, representing the five rows.

This is an Italian blend to celebrate a proud woman who may have become a Kiwi blend but like this wine, also remained proudly and staunchly Italian. You will always be with us Concetta Lombardi/Tina Green. **Winemaker Dave McKee.**
