

HAWKE'S BAY
WINE AUCTION

The 28th ANNUAL WINE AUCTION PRE TASTING
WEDNESDAY 2ND OF OCTOBER, 5.30PM • NAPIER CONFERENCE CENTRE

Four exclusive auction lots have all been generously donated to the Hawke's Bay Wine Auction in support of helping people cared for by Cranford Hospice.

TO BE AUCTIONED BY HARCOURTS HAWKE'S BAY

LOT 1: 2 x 750ml bottles of Hospices de Beaune 1994 Cuvee Charlotte Dumay – CORTON – Grand Cru

These wines have been kindly gifted by Ray and Ian McLean, originally purchased from the legendary Hospice de Beaune Auction.

LOT 2: Te Awa Farm – 1997 – Cuvee Unique – 6L

Te Awa Farm crafted this unique red blend that expresses the quality and character of their vineyard site. The Merlot brings richness and fine tannins along with sweet leather flavors, and a velvety texture to the palate. Malbec brings touches of spice and liquorice, while Cabernet Sauvignon provides the strength and fine backbone. This has very generously been recontributed to the Hawke's Bay Wine Auction by Ray and Ian McLean. Cuvee Unique should be drinking well now.

Vintec Wine Cabinets

LOT 3: Vintec Instant Wine Cellar

This Vintec 170 bottle Wine Cabinet includes a very special collection of Hawke's Bay wines, across great vintages and many outstanding accolades, all stored in optimal cellar conditions. It really is an Instant Wine Cellar. See over for the extensive list of wines.

VINTEC 170 BOTTLE SINGLE-ZONE/
MULTI-TEMP WINE CABINET

A unique and versatile wine cabinet: can be set as Single Zone (set top and bottom at 12°) for cellaring both reds and white, or as Multi-Temp (e.g. 6° at the bottom graduating to 18° at the top) for serving different styles/varietals at perfect drinking temperatures.

LOT 4: Vintec 35 Bottle Wine Cabinet

This Vintec Wine Cabinet maintains a stable temperature to keep your wine in perfect cellaring conditions. This is thanks to triple glazed glass, insulated side panels and interactions between a compressor and thermostat.

Features of this V3OSGMEBK wine cabinet include temperature setting: cellaring all varieties (set at 12° - 14°C), or serving either white/Champagne (6° - 8°) or red (16° - 18°).
