

Welcome

Cranford Hospice Trust

"When we had to start calling Cranford for help it was like welcoming family. And that is what it was 100% of the way through, everyone was like family."

CATH REFLECTS ON THE CARE OF HER HUSBAND, CHRIS

Thank you for supporting Cranford Hospice, your involvement in the 2019 Hawke's Bay Wine Auction is sincerely appreciated.

On any given day, we touch the lives of over 200 Hawke's Bay husbands and wives, sons and daughters, friends, whānau, neighbours and colleagues.

It's likely that someone close to you has benefited from one of the almost 24,000 personal contacts we make each year, by phone, in the home, or within our inpatient unit.

With a growing and ageing population, and patients

living longer with more complex medical problems, we need your support to be able to continue providing our care for generations to come. This year we need to fundraise more than \$3 million to ensure our services remain free to our patients.

We are humbled by the continued generosity of the wine industry and sponsors and acknowledge the sheer amount of work that is involved – from visualising and creating the perfect blend, right through to auction.

We couldn't be more grateful for the support you give to ensure those who are dying have the quality of care while they are still living.

Sacred Hill

Sacred Hill Single Vineyard Cabernet Franc 2018 Half Barrique

17 years ago, Sacred Hill planted six rows of Cabernet Franc in our Deerstalkers Vineyard in the Gimblett Gravels. It quickly became an essential component in our top tier red blends. However, some vintages produce a barrel or two that are simply too good to blend away. This rich, sumptuous 2018 Cabernet Franc is a perfect example. There is a beautiful synergy between the aromas and the palate. On the nose there is five spice and mocha with lifted floral notes of wild thyme and violets. Complex flavours of liquorice and dark berries are elegantly integrated with the oak. A backbone of acidity carries through to a concentrated, lingering finish. A wine that shows all the quintessential hallmarks of this classical varietal.

Bilancia

Quarter Barrique Bilancia 2019 Tiratore Chardonnay

Tiratore tiratore = shooter (Italian). The fruit for this wine is exclusively from *la collina* Vineyard where approximately 1.0 hectare of the terraced and incline hill site plus river silt over gravels is planted to Chardonnay. When we originally planted the vineyard almost every hole we dug (by hand) unearthed a spent bullet, quite old and generally in good condition. Prior to the rifle range on the gravels we imagine the shooters fired their bullets into the hill. 2019 was a spectacular vintage for Hawke's Bay and this 2019 Tiratore Chardonnay will be a great wine for the future.

Mauricio Benega – Artist

The Wine Capital of NZ painting

The Wine Capital of NZ painting, is a big and heavy piece - 2090x1220mm.

The painting explores our region from the good weather, to the beautiful beaches and landmarks. From the vibrant colours, to the cool laidback lifestyle and everything in between. All of these things relating to a good wine of course.

My painting process is very slow and I like to do a few other paintings while I'm working on the main one. However, when I start the composition, I let the process flow naturally and things change in an organic way, with all the layers above layers of paint. It is then that the art work starts to come to life.

This piece will make the viewer look over and over again to be able to digest everything. It's a visual journal where I play with typography, humour and lots of colours to represent the vibrant and funky Hawke's Bay Wine Capital of NZ.

Esk Valley Estate

Esk Valley Solera Selection Liqueur Muscat

First created as a single barrel in 1991, this Liqueur Muscat is now a blend of many vintages. When vintage conditions prevailed further barrels were produced and added to the solera. The average age of the wine is now in excess of 20 years. As it has aged and been naturally concentrated it has developed great complexity. True to the Muscat grape the wine has very "grapey" aromas and complex notes of orange marmalade and wood derived notes from barrel ageing. This unctuous and special auction lot will make an ideal accompaniment to pate, blue cheese, nuts or chocolate.

Sileni Wines

12 Magnums of Sileni Merlot Cabernet Spanning 20 years

From Sileni a very special auction lot, 20 years in the making. The first Sileni wines were made from the acclaimed 1998 vintage of which a number of large format bottles have been resting peacefully in our library cellar ever since. In 2008 we celebrated our 10 year anniversary and now, 20 years after that first vintage we are bottling our excellent 2018 vintage wines. For this year's auction we have put together 4 Magnums of Merlot Cabernet blend from each of these three vintages. All have been tasted, topped and sealed with a new cork and re-waxed. Truly a unique and special collection.

Lime Rock Wines

Lime Rock Wines Jeroboam of 2016 Lime Rock Pinot Noir

Lime Rock vineyard, on the high north-facing limestone hills of Central Hawke's Bay, is especially suitable for cooler climate wines and in particular Pinot Noir. Grapes ripen 2-3 weeks later than the northern vineyard areas. The 230-270m altitude helps regulate ripening and contributes to distinctive flavours. Ecological practices and long-time experience in the industry helps set our small wine company apart. This Jeroboam of 2016 Lime Rock Pinot Noir is dark, rich and spicy and will cellar well.
