

**Hawke's Bay
Wine Auction 2021**

Hawke's Bay Wine Auction Catalogue Welcome

Welcome to our 2021 Hawke's Bay Wine Auction which marks 30 years of giving. Giving by our wineries, our sponsors, and our artists to support the valued services of Cranford Hospice. The first Charity Wine Auction was held in 1991 at the Hawke's Bay Racing Centre on Saturday 2nd November. There were 27 lots and 16 contributing wineries. 30 years later there are over 40 lots and contributing wineries, many of them having a very long association.

What is so powerful about this auction is the collective involvement of so many diverse people, across wineries, businesses and volunteers which is very widespread and clearly demonstrates the high regard we all have for Cranford Hospice.

A special thanks to artist John Lancashire, the bespoke artwork is such an integral feature of the auction and I am sure his thoughtful creation will be keenly sought.

Acknowledgement and thanks too, to all our sponsors, there are many of you and your support throughout a very tumultuous year is sincerely appreciated. Thank you also Cranford Hospice, your staff and your services, are so respected and loved by our Hawke's Bay community.

To our Hawke's Bay wineries, you are marvellous, your commitment superb, you are the foundation of the auction and we thank you.

Our auction committee is expertly managed by our General Manager Elisha Milmine, and she draws on the support of our committee as

she needs. Peter Cowley, Tony Bish, Ray McKimm, Julie Russell and Andreas Wiess, thank you!

I complete this welcome with a quote from the inaugural auction catalogue which states:

*"Oceans may separate mankind,
but wine unites them."* Anon

It goes on to state, the two-fold purpose of the event was "to promote Hawkes Bay wines and to strengthen our bonds with the community". An enduring sentiment as evident now as it was then.

Be generous and courageous in your bidding, befitting a 30 year celebration!!

Cranford Hospice CEO Welcome

"Our father left this world knowing he was being looked after by the best. The team at Cranford Hospice helped such a daunting experience become a beautiful one. Thank you for being there every step of the way and guiding us in the right direction".

These are words from a thank you letter received from the 10 children, 58 grandchildren, and 54+ great grandchildren of Ronald. Ron was a Dad, Grandad, and Great Grandad who was supported by Cranford Hospice.

Your support through the Hawke's Bay Wine Auction means we can provide this holistic care to families, like Ron's, when they need us most.

It has been an incredible 30 years that the wine industry has supported Cranford Hospice through the Wine Auction, and we are so grateful.

Your support at the Wine Auction is critical in enabling us to provide care to people living with a life-limiting condition, and their families.

With a growing and ageing population, and patients living longer with more complex medical problems, we need your support to be able to continue providing our care for generations to come. This year we need to fundraise more than \$3 million from our community to ensure our services remain free of charge to our patients and families.

We could not be more grateful for the support you give to ensure those who are dying have the quality of care while they are still living.

Hawke's Bay Chardonnay Collection 2020
with Vineyard Safari

A case of 12 bottles of the inaugural Hawke's Bay Chardonnay Collection and a vineyard safari of some of the vineyards with a local industry professional for 2 people. All vintage 2019 wines, selected by Cameron Douglas MS by means of a blind tasting. The collection represents an assortment highlighting the quality and diversity of this noble grape that loves our Hawke's Bay *terroir*, expressed by our talented winemakers in the region – one of the world's great wine regions.

"2019 is indeed a great vintage for Chardonnay from Hawke's Bay. The theme for the tasting revealed itself after the first flight – texture, intensity, tautness, great line of acidity and a core of fruit. The potential for ageing many of the wines was apparent."

CHURCH
ROAD®

Church Road**The Redstone Single Vineyard Syrah 2019**

From our Redstone Vineyard in the Bridge Pa Triangle. Redstone is particularly well sheltered by nearby Roy's Hill, providing one of the warmest, driest meso-climates in Hawke's Bay. Couple this with low vigour, free draining red metal soils, and the result is one of the earliest ripening vineyards in the region. It is the source of many of our very best red wines and has been the principle source of our flagship TOM Syrah in every vintage to date. Redstone Syrah's are fleshy, supple and incredibly fragrant wines that age gracefully.

JOHN LANCASHIRE

John Lancashire Artist

Painting: *You can't tell the sky what to do*

John has created a triptych collection *You can't tell the sky what to do*, especially for the 30th Hawke's Bay Wine Auction. This collection can be displayed as a single piece or split into three canvasses.

"When I paint, sometimes I have the words first (which may become a title) sometimes I paint and the words arrive, as was the case with 'You Can't Tell The Sky What To Do'. Living in a region that is charged with the cultivation and delivery of a huge array of valuable produce... I have always been amazed at the tenacity and science of this 'calling'. What really hits home for me, is you can have all the available technologies... all the hope and investiture... all your ducks in a row... You still have to take an educated punt on the elements. Hence... 'you can't tell the sky what to do'... but if you listen long enough, you know what to ask."

Stonecroft Stonecroft The Original Syrah 2020

This lot is an exclusive 12 Magnum bottling of our Original Syrah. Only a single barrel of this wine is made, using grapes picked from Stonecroft's oldest Syrah vines (the oldest producing Syrah vines in New Zealand).

2020 was an exceptional vintage in Hawke's Bay and the quality level of the Syrah justified making an Original Syrah. This is only the fourth vintage this wine has been made. Syrah vines include the original first row planted in 1984, they were the only source of Syrah in New Zealand at the time, rescued from the Te Kauwhata research station and were subsequently propagated by nurseries for production. Situated at Stonecroft's original Mere Road vineyard they can be viewed on a visit to the cellar door.

Wine will be available in early 2022.

Lime Rock Lime Rock Gruner Veltliner + White Knuckle Hill Pinot Noir

Six bottles vertical of Grüner Veltliner from 2016 to 2020, including a Barrel Fermented Grüner from 2017, along with twelve bottles of our premium 2013 White Knuckle Hill Pinot Noir.

Our Lime Rock vineyard, on high north-facing limestone hills in Central Hawke's Bay, is especially suitable for cooler climate wines and in particular Pinot Noir and aromatic white wines. Our grapes ripen 2-3 weeks later than the northern vineyard areas. A 230-270m altitude helps regulate ripening and contributes to distinctive flavours. Ecological practices and long-time experience in the industry set us apart.
