Wine Auction
2023**

Hawke's Bay Wine Auction Welcome

It is my pleasure to warmly welcome you all to our 2023 Hawke's Bay Wine Auction. Hawke's Bay has certainly had a catastrophic start to the year following the devastation of Cyclone Gabrielle and it has been very refreshing to focus on this auction which is such a positive, significant event.

The valued work of Cranford Hospice in our community is far reaching, unrelenting and resources are always needed. Cranford Hospice has the unique ability to draw our community together across business, wineries and individuals, and we are delighted the funds raised contribute to this exceptional community work.

Our thanks go to Josh Lancaster for his superb painting. Quintessentially Hawke's Bay, *The Te Mata Woolshed* depicts Hawke's Bay wine and we are sure this piece will encourage competitive bidding and a wonderful contribution to the auction total.

We have many sponsors of the auction across many sectors. We acknowledge your valued contributions and thank you for them, it enables the smooth running and success of the event. We are very grateful for your support.

Hawke's Bay wineries are the lot providers and wonderful array of quality, bespoke parcels of wine and experiences are world class. Thank you for your continued generosity, and showcasing the best of Hawke's Bay wine, it's pure quality and cellaring potential.

The event is run by our General Manager Maxime Cavey, and the auction committee personally thanks Maxime for her energy, ability, drive and management. I would also like to thank the auction committee for their great work. We have seen Julie Russell depart and welcomed Andrea Jopling this year. Julie has made a wonderful contribution over many years and we thank her for her creativity and hard work. The

committee is focused on the success of the auction and Peter Cowley, Tony Bish, Ray McKimm, Rachel Barclay, Andreas Weiss, Peter Allen, Sally Fisher and Andrea Jopling do a fabulous job.

Finally, Hawke's Bay has recently been designated as one of the Great Wine Capitals of the World. We all know the wonder of this region, let's ensure our lively bidding and sensational auction result is befitting of a Great Wine Capital!

Cranford Hospice Welcome

Our community spirit fills me with hope and belief. Hope that our community will recover stronger than before the cyclone, and belief that our thoughts and actions do change lives.

In my opening remarks on day one at Cranford, I talked about the significance of planting a tree – even though you won't be around to benefit from the shade it might cast, you know it will be good for the future. Wonderful events like this seems to me to fall into the same category. Sometimes we don't know who or how others will benefit, but we support this event knowing they will.

Your support through the Hawke's Bay Wine Auction means that even during Cyclone Gabrielle, the team here at Cranford Hospice were able to continue doing what they do incredibly well – care for patients and their whānau on their end-of-life journey.

This year we need to fundraise more than \$3 million from our community to ensure our services remain free of charge. By joining us today, you are making it possible for our team of nurses, doctors and family support to provide care for over 150 people each day here in Hawke's Bay.

We could not be more grateful for your support.

Josh Lancaster Artist Painting: *Te Mata Woolshed, 2023*

Media:
Acrylic on canvas

Dimensions:
Framed 1550x1250mm

This large piece features the historic and iconic Te Mata Woolshed floating amongst sea of green. It is the latest in a series of local woolsheds to emerge from Josh's easel. In typical Lancaster style the familiar rural architecture becomes heroic, a giant steel beast emerging from lush vines. Behind it the view rolls out towards Napier and the ocean beyond.

"I love an old wool shed – they were always magical places to visit as a kid... signposted to the senses by warm wafts of lanolin mingling merrily with honk of sheep poo."

Josh believes in the stories that places can tell. The scenes painted become an access point for memories that bring with them the comfort of a familiar face.

This year we are pleased to offer a six-year vertical of our Tiratore Chardonnay, 2018–2023, grown in our *la collina* vineyard. Four bottles of each vintage, 24 bottles in total (2023 will be available mid-2024).

tiratore *Italian* (ti-ra-tó-re) hunter/marksman

When planting the vines, old, spent bullets were found in almost every hole dug on the slope of *la collina*. We imagine this area was used for many years as a firing range for target practice.

Single vineyard Chardonnay from vines originally planted in 2001 on the lower slopes, terraces and flat, old riverbed (the former path of the Ngaruroro River prior to the floods in the late 1800s) of *la collina* vineyard.

A lunch for up to eight people at Hawke's Bay's oldest boutique winery, Brookfields. The delicious lunch will be catered by Mitzi & Twinn and accompanied with Brookfields wines.

The 2021 Reserve Vintage Cabernet Merlot (Gold Label) is made from an exceptional vintage. Wild Blackberry, blackcurrant, cigar box, liquorice, toast and dried herb are evident in this harmonious wine. There is a small portion of Cabernet Franc in the blend which enhances the bold flavours and complexity. There is no substitute for ripe grapes, new French oak and patient wine making – this Gold Label is a classic.
