

**Hawke's Bay
Wine Auction
2025**

Welcome to our 2025 Wine Auction

September – it's our favourite month of the year, when we all come together to enjoy spectacular Hawke's Bay wines and raise funds for Cranford Hospice. On behalf of the Hawke's Bay Wine Auction Charitable Trust committee, a very warm welcome. Thank you so much for being part of this legendary event – and we're expecting to add to that legend in a major way this year.

Today we're going to hit the magical \$5 million mark in total funds raised for Cranford over the lifetime of the auction. So check your catalogue and keep an eye on the running total – we're going to celebrate big! You could be the instantly famous bidder that gets us to that milestone.

We have an auction full of exciting lots with over 15 wine styles, from our sought-after Bordeaux blends to stylish Chardonnays and adventurous Viogniers. For the first time ever we have three full barrique lots up for auction, as well as half and quarter barriques – perfect for you syndicates out there.

Thank you to all our winemakers who have been so generous yet again. You are the foundation of our auction and we're deeply grateful for your impressive donations. A huge thank you also to Joe Helmore, this year's feature artist, for his beautiful and captivating painting of Cape Kidnappers.

We could not do all this without our wonderful family of sponsors, including our Principal Sponsor, Wineworks. You make it possible for every single dollar raised at auction to go directly to Cranford. In supporting us, our sponsors directly support our community, so let's make sure we all support them in return.

The day, of course, belongs to our bidders. You are the ones who so energetically fill this room with generosity and fun. Don't hold back! What you do here today helps our beloved Cranford Hospice continue providing their services free of charge to our community.

Enjoy, dig deep and let's make this an epic auction.

Cranford Hospice Welcome

Our community thrives on the strength of our connections. In Hawke's Bay, we stand together, offering unwavering support through every challenge. For me, this sense of unity is what makes both our community and the Hawke's Bay Wine Auction so special.

We are incredibly grateful for your support of Cranford Hospice. Your participation in the Hawke's Bay Wine Auction allows our team to continue delivering the compassionate care we are known for.

Hospice care is more than a service – it's a lifeline, a source of comfort, dignity, and support. It ensures that individuals receive the care they need, helping them live well, die with dignity, and grieve with the support they deserve. In essence, our dedicated Cranford team is here to "make things better" during life's most challenging times.

This year, we must raise approximately \$4 million from our community to keep our services free of charge. Thanks to your generosity, our nurses, doctors, and support staff can continue providing essential care every day to families in need across Hawke's Bay.

Thank you for standing with us. Your kindness and continued generosity ensure our community thrives with the support of a strong and compassionate Cranford Hospice.

Joe Helmore, Artist Painting: *CAPE IX*

Media:
Acrylic on linen

Dimensions:
Framed 1700mm x 940mm

This large piece captures the dwindling light of the sun setting after a hot day, casting its golden glow across the landscape. This light illuminates the stratified cliffs, which are made up of sandstone, river gravel and pumice. It marks the latest addition to Helmore's ongoing series of Cape Kidnappers works. In his signature style, Helmore builds and intensifies both volume and structure through the dynamic interplay of light and shadow, while bold graphic disruptions create a striking balance between abstraction and figuration.

Revered as a symbol of home and connection, this iconic landscape holds profound significance for many in the region. The scene also stands as a vivid testament to Hawke's Bay's esteemed reputation as a world-class wine-producing region, encapsulating its temperate climate, abundant sunshine and distinctive mineral-rich soils.

Askerne Estate Winery Askerne 2024 Petit Verdot

Wine Quantity:
37.5L / 50 bottles

Winemaker:
Cairn Coghill

Coveted as a component in the Askerne red blends due to its plentiful colour, bold tannins and wonderfully floral aromatics, the Askerne Petit Verdot in 2024 was an absolute standout, and as such it only seemed appropriate to keep some aside as a single varietal offering for the Hawke's Bay Wine Auction.

Beautiful fruit aromatics of dark plum and blackberry interplay with lilac and violet florals, supported with dark scented oak spice, liquorice and mocha notes. Juicy and rich, the palate is long and packed full of concentrated dark berry fruit flavours and velvety tannins. This is a bold wine that will age well.

18L

Winemakers:
Lorraine Leheny
Warren Gibson

Enjoy 24 bottles of 2025 Mourvèdre (aka Monastrell or Mataro) from la collina vineyard.

Mourvèdre prefers its face in the sun so growing high up on the la collina terraces is ideal.

Hand-picked and hand destemmed by our harvest friends, indigenous ferment (primary and MLF) in kegs in our lounge and finally, hand pressed by us. Hand bottled. There are no additives in this wine other than some sulphur at bottling. A completely 'hands on', unicorn wine. A very rare offering indeed. Heady and structured with an intense aroma of blackberries.
